There is still some beef jerky and a few lollipops that can be sold.

Mrs. Ferguson has applied to host the Fall Classic, next school year. She should find out if Crestwood was accepted by the end of the month.

The annual fruit sale is going on now through January 20, 2010.

Mrs. Ferguson is working with the travel agency to put together a package for any parents who would like to go with the band for Washington.

Treasurer's report - No report

Fundraising - Mrs. Ferguson and Mr. Adkins have an idea for a fundraiser. They would like to put together a jazz dinner with a silent auction and have this on April 9, 2010. This would involve band families soliciting donations from area businesses to use in the silent auction. Along with the donated items they would ask each section in the band to come up with a theme and then donate items towards a group basket for their theme.

Sue Hurd will contact the K of C hall in Mantua to check availability and price.

We will be looking for donations for the band trip to Washington so that every student has the opportunity to go to Washington.

Shannon's Styling will be hosting a band fundraiser on February 7, 2010. Two stylists will be available from 12:00 – 4:00 for haircuts. The cost will be \$10.00 for men and children and \$13.00 for women. All the money for the haircuts will go to the band.

Mulch Sale – The banners for the sale are ready to go. Fliers are also ready and should be passed out at the Middle School band concert on January 26, 2010. Starting in February we will start pushing the mulch sale.

CAVS games are going well but more volunteers are needed to staff the stand(s).

Meeting adjourned at 8:13 p.m.

Next meeting – February 8, 2010 at 7:00 p.m.
